

## 7<sup>th</sup> OECD Forum on Green Finance and Investment

"Financing a green recovery, and maintaining momentum for green finance and investment",

## 6-9 October 2020 | Virtual conference

The OECD Centre on Green Finance and Investment sends its sincere wishes to all its stakeholders to stay safe and healthy during these unprecedented and challenging times. To ensure the safety of all participants, the 7<sup>th</sup> OECD Forum on Green Finance and Investment will be held virtually from 6-9 October 2020. The Forum will be convened as a series of high-level panels and parallel sessions over the course of four half-days. The registration for the Forum is now open. We invite you to register on the Forum's dedicated platform <u>here</u>.

## A Must-Attend Event for the Global Green Finance Community

The OECD Forum on GFI has become a must-attend event for the global sustainable finance and investment community. The <u>6th Forum</u>, held on 29-30 October 2019 at the OECD in Paris, welcomed **750 participants** from **78 countries** and gathered **100 high-level speakers**. The Forum ranked amongst the **top 5 trending topics** on Twitter in Paris. High-Level speakers during previous editions of the Forum have included notably: **Mr. Al Gore**, former Vice President of the United States of America; **Ms. Yuriko Koike**, Governor of Tokyo; **Ms. Brune Poirson**, Secretary of State, attached to the Ministre d'État, Ministry for the Ecological and Inclusive Transition, France; **Mr. Angel Gurría**, OECD Secretary-General; **Mr. Daniel Klier**, Group Head, Strategy and Global Head, Sustainable Finance, HSBC, **Ms. Helena Vines Fiestas**, Deputy Global Head, Sustainability, Global Head, Stewardship and Policy, BNP Paribas Asset Management; and **Ms. Linda-Eling Lee**, Global Head, ESG Research, MSCI.

The draft agenda for the 7<sup>th</sup> Forum is under development and will be shared well in advance of the event.

We are pleased to announce that a limited number of sponsorship opportunities for the Forum are available. For further information, please write to <u>robert.youngman@oecd.org</u>.

## The OECD Centre on Green Finance and Investment

Established in 2016, the Centre's mission is to help catalyse and support the transition to a green, lowemissions and climate-resilient economy through the development of effective policies, institutions and instruments for green finance and investment. The Centre develops rigorous, innovative and compelling analysis and practical recommendations, organises high-impact events, and engages effectively in wider policy debates and arenas to support the rapid scaling-up of green investment and finance.
